

Introducing the **Fundscrip Gift Card Program**

Do you buy groceries, gas, household items, shop at department stores or eat in restaurants, go to movies or need gifts?

Fundscrip is a fundraising program that will let our church raise funds for general expenses by purchasing gift cards to the stores where you are already shopping.

For instance, if you purchase a \$100 gift card you will receive a \$100 gift card and a percentage of your purchase will be donated to Humber Valley United Church.

For an order form: giftcards4HVUC@gmail.com
Cheques should be made payable to Humber Valley United Church. On memo line please write "gift cards". Cash is acceptable too.

Please put your order form and payment in an envelope addressed to Humber Valley United

Church, Attn. gift cards. It is preferable that you take it to the church if you are able as mail delivery is not always reliable.

When we reach a minimum order of \$5,000 total we will submit the orders to **Fundscrip**. There is a turn around date of 5 business days.

We want everyone to have their gift cards by the end of November so please submit your order by November 17th.

Thank you for supporting HVUC's fundraising efforts.
